</table>
1. **SLIDE OUTS**
   - Best in class slide height and depth
   - Flush floor slides with linoleum
   - Electric Motor Slide System
   - Laminated components plus 3M flashing tape along corners to prevent leaks

2. **DOORS & LOCKS**
   - Full-width entrance doors with built-in screen doors and integrated window shades
   - Double-insulated passage and storage doors with slam latches on secure and convenient key-alike system

3. **ROOF**
   - Double batten insulation layered with radiant foil
   - Screw-mounted plywood decking topped with premium quality PVC
   - No treatment required! Will not chalk or spot
   - Heat reflecting properties keep coach cooler in the summer

4. **FLOORS**
   - Double-welded aluminum framed floors
   - Insulated with rigid foam, wrapped in radiant foil, anti-puncture moisture barrier woven underbelly material, and strengthened with an overlapping double layer of laminate

5. **LAMINATED WALLS**
   - Lightweight, double-welded aluminum walls
   - Each wall is laminated with rigid foam insulation

6. **MAIN BODY**
   - Class-leading I-beam chassis and draw bars
   - Equa-Flex suspension system
   - Aluminum wheels with nitrogen-filled tires
   - EZ Lube hubs

7. **INDUSTRY-LEADING HEATING SYSTEM**
   - Oversize 4-inch heat ducts run from the furnace down to the fully enclosed underbelly and wrap around the tanks suspended between the chassis I-beams. Holding tanks are warmed by the forced air heat which prevents freeze-ups.
   - A return at the end of the tank connecting back into the coach provides the necessary air flow.

---

**MORE ROOM. LESS WEIGHT.**

We stand behind our products. At Highland Ridge RV, we are one of the few manufacturers that have a 3-Year Limited Structural Warranty.

**PET FRIENDLY.**

This is our mission at Highland Ridge RV. It drives us to innovate and revolutionize the RV industry and it’s why our products are 10 - 15% lighter than the competition.

**ZERO DEGREE TESTED.**

Our Pet Friendly units offer linoleum throughout the main living areas, and no floor registers.

We put our products into a zero degree chamber for five hours with thermometers placed in key areas throughout the unit. The results speak for themselves.
