TUSCANY®

Tuscany, our most sophisticated Class A diesel motorhome made to fit your lifestyle.

THOR MOTOR COACH

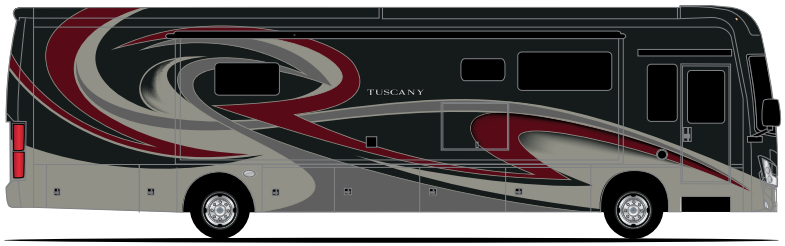
TUSCANY
TUSCANY

TUSCANY®

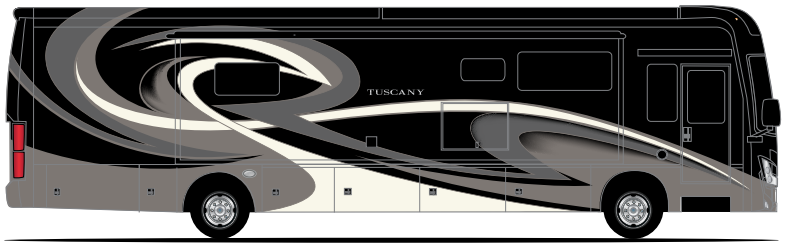
Welcome to the Tuscany®.

From the moment you step inside, you can feel the bold styling, innovative technology and elegance. Our flagship Class A diesel pusher is the statement you've been wanting to make.

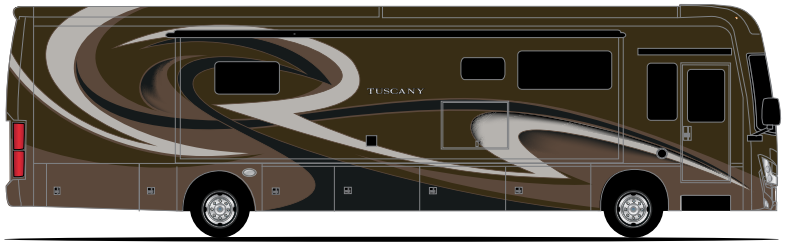
EXTERIOR OPTIONS



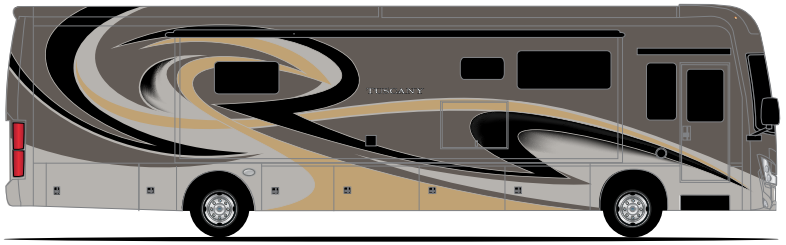
AVALON



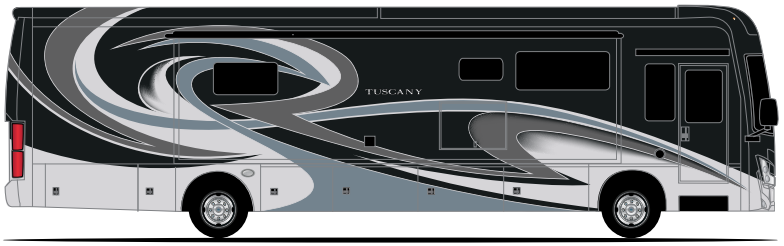
NOUVELLE



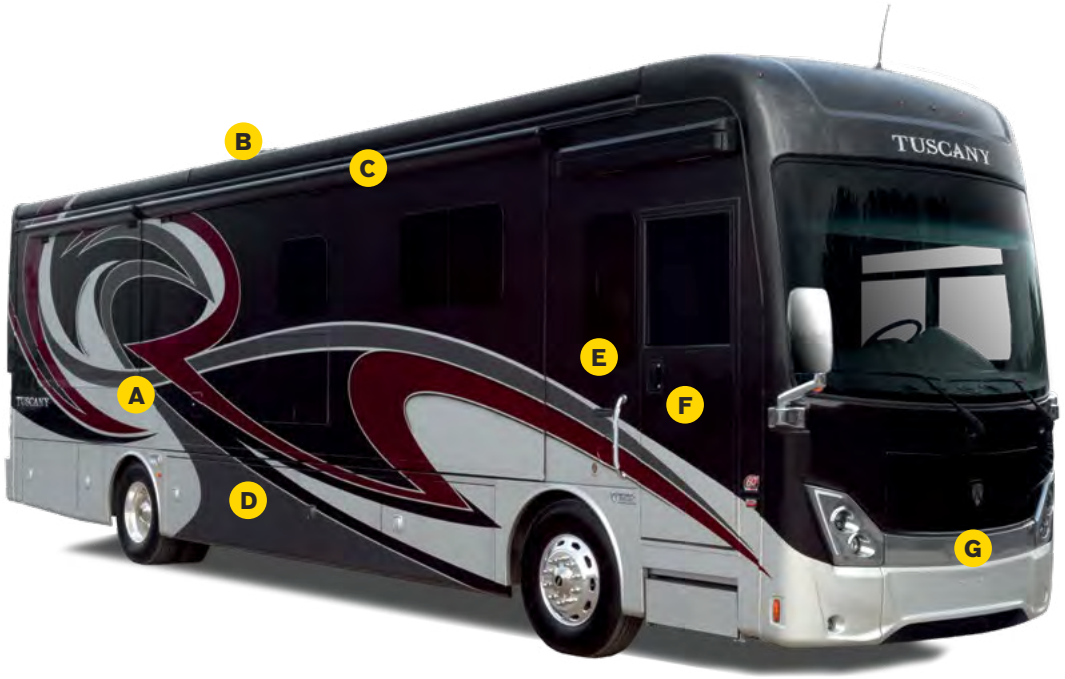
SCANDIA



TWILIGHT



WATERFORD



A | FULL-BODY PAINT

A striking exterior graphics design provides a jaw-dropping experience. The paint process includes alternating layers of paint with sanding in between to provide a glass-like exterior finish.

B | WHISPER QUIET AIR CONDITIONING

Specialized air conditioning system designed to provide maximum cooling. The multiple air returns help move air more efficiently, while the integration with the roof air conditioners reduces interior fan noise.

C | POWER PATIO AWNING WITH INTEGRATED LED LIGHTING

A legless, lateral arm awning is fully encased in a metal box protecting it during driving. When extended, the awning does not have legs intruding into the camp area and it has the ability to self-retract in windy situations.

D | HEATED BASEMENT

The Aqua-Hot™ Hydronic Furnace & Water Heating System has individual heat exchangers in the basement to keep it toasty warm. An automatic thermostat kicks the heat on when the temperature outside dips too low.

E | KEYLESS ENTRY SYSTEM

The front door and storage compartments can be locked with just a push of a button on the remote key fob. The basement doors also have a secondary switch to lock all the doors from the interior of the coach.

F | WIDE ENTRY

An extra-large entry door provides easy entry, especially when carrying large items like groceries.

G | LED ACCENT LIGHTING

A beautifully sculpted front cap is fully illuminated with LED accents, including the Tuscany nameplate and accompanying driving lights.

LAY THE GROUNDWORK FOR SAFE TRAVELS

ATLAS™ FOUNDATION

A home needs a strong foundation and that is especially true for the home that rolls down the road. The Atlas™ Foundation under the Tuscany provides an excellent base to construct your new motorhome.

The Atlas Foundation™ is the premier building platform and substructure in the industry. Thor Motor Coach has partnered with industry leaders, Freightliner® Custom Chassis and MORryde® International, to bring you this innovative building design.

Innovation doesn't just happen, it takes a dedicated team of the very best designers and engineers working together to tackle the challenges in the road ahead. From the very start our main focus is you, and you will see that from the moment you step into the motorhome.

The Atlas Foundation™ is a fully integrated basement foundation design. This means that trusses, cross members and ladder assemblies are pre-formed and laser-cut from high-strength, 50 grade HSLA steel, which provides greater resistance to corrosion than carbon steel.

The structure is assembled and welded on a flat, laser-leveled table, then hoisted onto the OEM chassis and welded into place. This system includes a built-in, unit floor leveling system, which maintains the true squareness of the motorhome body and helps prevent crowning.

Fiberglass lined, pass-through storage bays span the width of the unit with steel support under each of the compartments. The steel sub-frame can support more than 1,000 pounds per compartment. Designed to facilitate greater luminosity, the interior mold and mildew resistant fiberglass lining is white, making it easier to see within the compartment in low-light situations.

Built strong and insulated to help reduce heat transfer, the firewall and rear engine cage are fully encased in steel, which eliminates engine and road noise.

You're the one who will rely on our innovation for years to come. You're the one who will feel the strength of the Atlas Foundation™ as you drive the open road. You're the one who will benefit from our hard work and commitment to excellence.

We didn't just design the Atlas Foundation™, we crafted it to fit you.

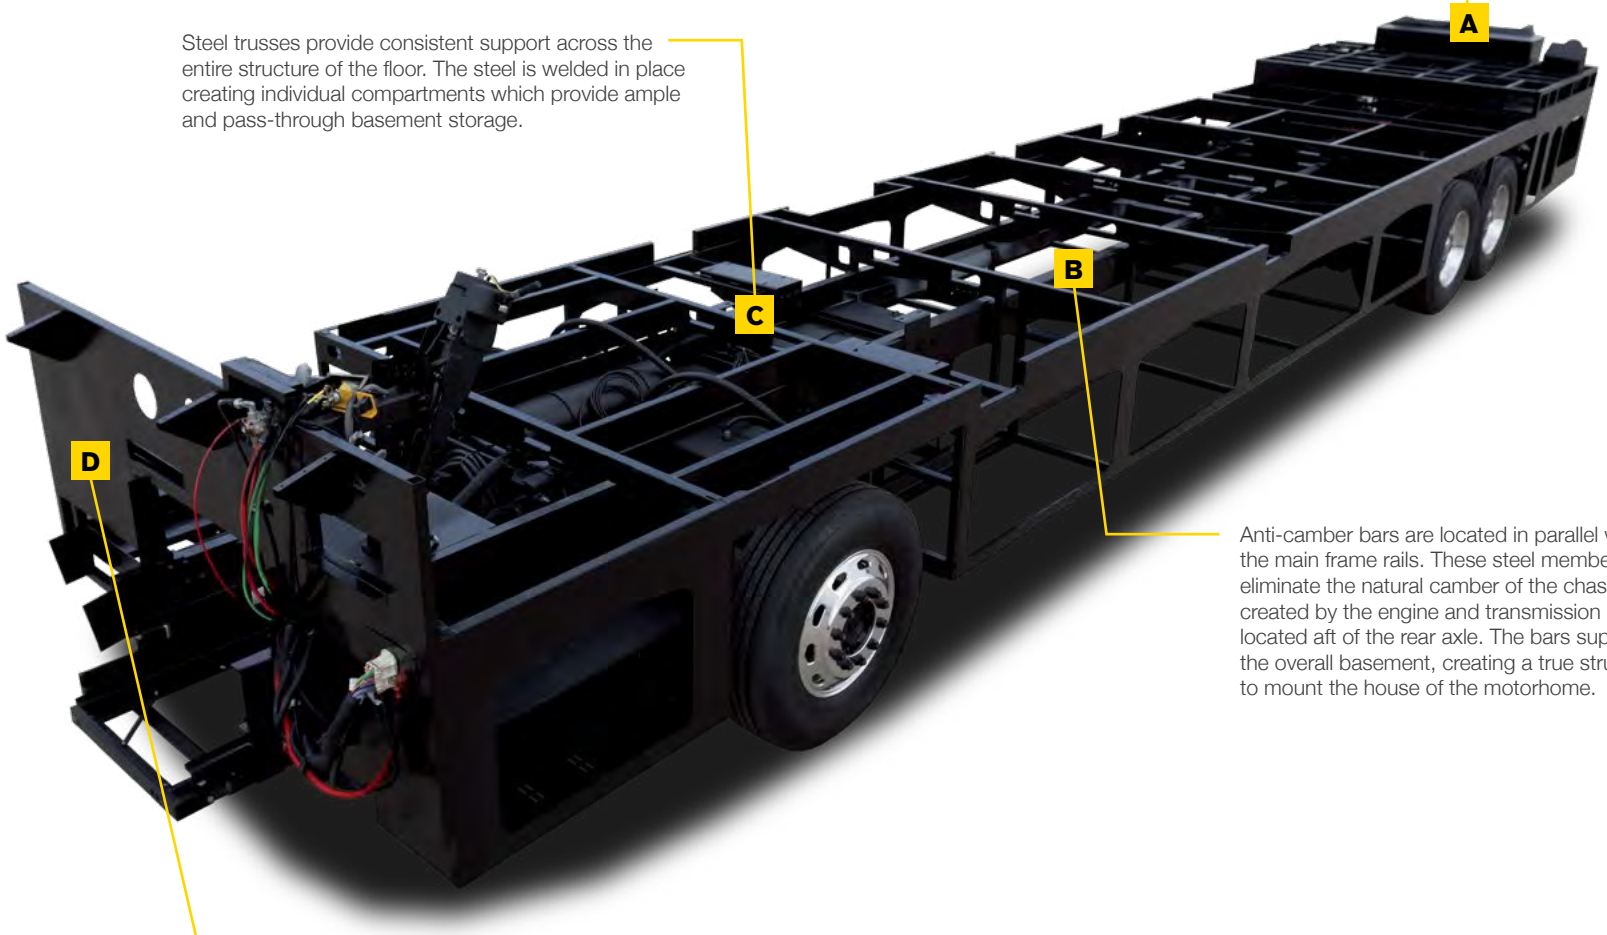
MORryde

FREIGHTLINER® Custom Chassis

Driven By You

A steel cage surrounds and protects the engine and radiator compartments.

Steel trusses provide consistent support across the entire structure of the floor. The steel is welded in place creating individual compartments which provide ample and pass-through basement storage.



Anti-camber bars are located in parallel with the main frame rails. These steel members eliminate the natural camber of the chassis created by the engine and transmission being located aft of the rear axle. The bars support the overall basement, creating a true structure to mount the house of the motorhome.

The steel firewall protects the front of the coach while providing a strong anchor point for the cockpit. Solid foam insulation is added to provide a buffer to eliminate road noise and help prevent heat and cold transfer.

Winegard® ConnecT 4G/Wifi-System

Residential Tile Shower with Teak Shower Seat and Glass Door

Dual Girard® Roof Mounted Patio Awnings with Integrated LED Lighting

Side Radiator Cooling Package

Multiplex Wiring Control System with 7” Touchscreen

Touchscreen Dash Radio with Bluetooth®, Garmin® RV Navigation & SiriusXM® Radio, Tuner & Antenna

FEATURED HIGHLIGHTS

CONSTRUCTION & EXTERIOR

- Freightliner® XC-R Raised Rail Chassis with Atlas™ Foundation
- Side Radiator Cooling Package
- Cummins® ISL 8.9L Engine with 450HP & 1,250 lb.-ft. Torque
- In-Block 1,000-watt Engine Heater
- 6-Speed Allison MH-3000 Automatic Transmission
- ZF® Independent Front Suspension
- Full Air Front Disc & Rear Drum Anti-Lock Brakes
- Exhaust Brake (38SQ & 40RT)
- 2-Stage Jacobs® Brake (45JA & 45MX)
- Air-Ride™ Suspension
- Sachs® Shock Absorbers
- 150-gallon Fuel Tank with Dual Fills
- Driver Side DEF Tank Fill
- One-Piece Fiberglass Front & Rear Caps
- One-Piece Tinted Windshield
- Molded Fiberglass Roof
- Full-Body Paint Package with Gel-Coat Sidewalls with Invisible Front Mask Paint Protection
- Full Width Stainless Steel Stone Guard with Tuscany® Enblem
- Automatic Leveling Jacks with Touchpad Controls
- Side-Hinged Locking Compartment Doors with Electronic Locks
- Lighted Storage Compartments
- Basement Pass-Through Storage
- Easy Slide Storage Tray
- Dual Roof Mounted Power Patio Awnings with Integrated LED Lighting
- Power Entry Door Awning with Integrated LED Lighting
- Slideout Room Topper Awnings with Aluminum Covers
- Frameless Dual Pane Windows
- Patio Light on Road Side & Curbside
- 10,000-lb. Trailer Hitch with 7-pin Round Connector (38SQ & 40RT)
- 15,000-lb. Trailer Hitch with 7-pin Round Connector (45JA & 45MX)

AUTOMOTIVE & COCKPIT

- Touchscreen AM/FM Dash Radio with Bluetooth®, Rand McNally® RV GPS Navigation, CD/DVD Player, Back-up Monitor & SiriusXM® Radio Prep
- Chrome Heated/Power Mirrors with Integrated Side Cameras
- Push Button Start
- Primera™ by Ultrafabrics® Reclining/Swivel Power Adjustable Captain's Chairs (Passenger Seat has Electric Footrest)
- Driver & Passenger Overhead Storage Cabinetry
- VIP Tilt/Telescoping Smart Wheel
- Adjustable Brake & Accelerator Pedals
- Cruise Control
- Dash Fans
- Emergency Engine Start Switch
- Air Horns
- Fog Lights
- Power Solar & Privacy Shades on Windshield
- Manual Solar & Privacy Shades on Side Windows
- Solid Surface Entry Steps & Electric Step Cover
- 315/80R 22.5" (Front) & 295/80R 22.5" (Rear) Michelin Radial Tires with Aluminum Wheels (45JA & 45MX)
- 295/80R 22.5" Michelin® Radial Tires with Aluminum Wheels (38SQ & 40RT)
- Keyless Entry System & Compartment Door Locks
- Power Drop-Down Hide-Away Overhead Bunk with Cotton Cloud™ Mattress

AUTOMOTIVE & COCKPIT OPTIONS

- Remove Power Drop-Down Hide-Away Overhead Bunk with Cotton Cloud™ Mattress

INTERIOR

- Polished Porcelain Tile Flooring
- Ceiling Ducted Whisper Air™ Central Cooling System
- LED Lighting & Living Room Pin-Up Lights
- Decorative Ceiling Treatment with Mood Lighting
- High-Gloss Glazed Cabinetry with Solid Wood Raised Panel Cabinet Doors & Nickel Finish Hardware
- Window Solar & Privacy Shades
- Electric Fireplace with Remote Control
- Primera™ by Ultrafabrics® Furniture
- Sofa & Reclining Theater Seat with Footrest (38SQ)
- Driver Side Sofa with Bed (40RT)
- Passenger Side Sofa with Bed (45JA)
- Reclining Theater Seating with Footrests (40RT, 45JA & 45MX)
- Ensemble with Sofa & Dream Dinette Booth® (45MX)

INTERIOR OPTIONS
