

SPORTSCOACH® | CROSS COUNTRY SE

CROSS COUNTRYSE

*cross countryse*

B E B O L D

Outdoor enjoyment for you means going full throttle. Pursuing exciting adventures and loving every moment, every bold turn. Naturally, you're looking for a motorhome that represents the essence of your lifestyle. **That's the Cross Country SE by Sportscoach.** It sports an aggressive, vibrant premium diesel coach appearance, standing out from other diesels in its class and delivering a lot more "grown-up" appointments than competing brands.

*experience*

S P O R T S C O A C H

All of this makes the Cross Country SE your best choice whether you're moving up to a diesel or upgrading to a more prestigious brand: **Sportscoach.**

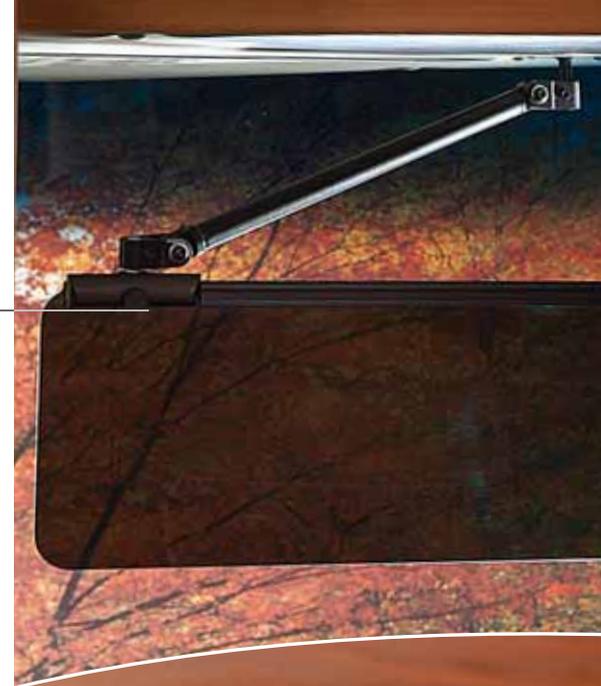

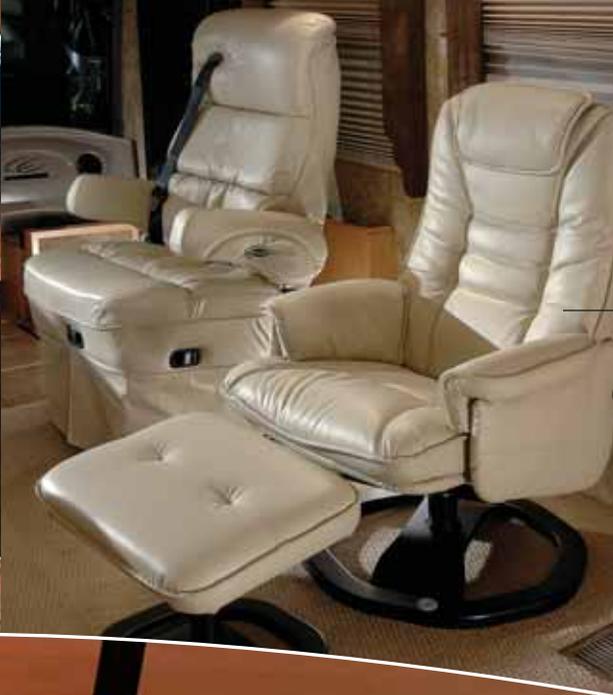

Cross Country SE puts all the fun, upscale amenities you like within reach. The spacious interior is graciously appointed with finely crafted cabinetry and designer interior appointments.

Deluxe driver- and passenger-side **sun visors** come in handy on those bright days, reducing glare and increasing your touring pleasure.

Easy-to-read gauges and easy-to-reach controls make for a driver-friendly environment. The exclusive **Site Rite™ dash** angles a full 20 degrees downward at the windshield, creating better road visibility and reduced front blind spots.

Life on the road means convenience and comfort with the **Ultra-leather passenger chair** and **Euro chair recliner with ottoman**.

## MAKE A STATEMENT

Your idea of a motorhome is one that takes you where you want to go in style, and makes a lasting impression. This is where the Cross Country SE delivers. Its full-body paint turns heads wherever you travel, showing off a high-end silhouette that challenges coaches costing much more. Step inside, and the “look what I got” appeal continues. With upscale features like designer interior decor, ceramic flooring and a queen bed with residential style headboard, this is the motorhome for you. Cross Country SE lets you look your best while giving you the assurance you’ve made the right decision.

The Cross Country SE comes in your choice of five exciting full-body paint graphics. The only question is which eye-catching design will you choose.

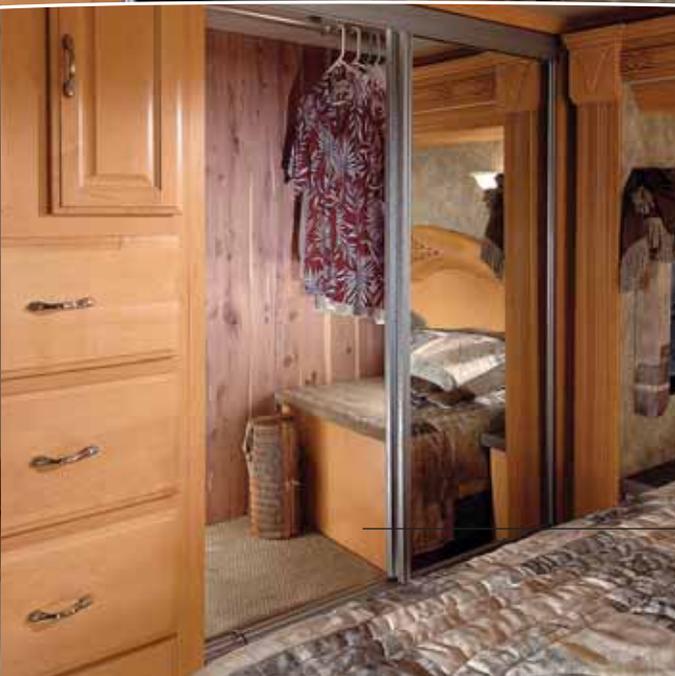

The coach's extended slide-outs give you an exceptionally large living area with ample room for family and friends. Everyone will appreciate the 27-inch flatscreen television and combo VCR/DVD player that lets you entertain to your hearts desire.

*Form* F O L L O W S F U N C T I O N

The bathroom features a porcelain toilet, neo-angle shower with glass enclosure and other designer features to give the look and feel of home.

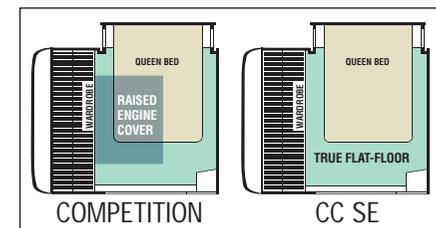

Relax in the true flat-floor bedroom suite, complete with a queen bed that includes a deluxe innerspring mattress. You'll also enjoy the residential-style headboard and 20-inch flatscreen TV (most models).

**KICKBACK. ENJOY. IT'S ALL HERE.**

Whoever coined the phrase, "Good things come to those who wait," had never heard about Cross Country SE. We loaded it with features so you can enjoy the look and function of diesel coaches RVer's usually wait much longer to own. From the large, well-appointed living area to the residential-inspired bedroom, Cross Country SE gives you reason after reason to just move in and enjoy.

Spacious, mirrored wardrobe closets are lined with cedar to keep your clothes smelling fresh and new.

Cross Country SE's flat-floor bedroom is an industry first. It provides up to 10 inches of additional headroom around the bed. So you can enjoy easier access to the wardrobe — with no stubbed toes or head bumping the ceiling.

## LEAVE THEM SPEECHLESS.

Making a snack or preparing a full evening meal is a pleasure in Cross Country SE's galley. To be sure, practical features abound. Like the bi-fold, flush range cover, available convection microwave and dedicated drinking faucet. We also included appointments inspired by higher priced coaches: a premium refrigerator with ice maker (option), solid surface countertops and sinks, premium kitchen faucets and a ceramic tile floor.

The **roll-out kitchen peninsula** on the 384 TS opens up additional countertop and storage space.

Huge bays provide ample exterior storage in seamless, rotocast compartments.

PERFORMANCE PLATFORM

The 5.7 liter Cummins® engine boasts 300 hp and 600 lb.-ft. of torque — the feel of power you expect in a diesel motorhome.

Sharp, 55 degree wheel cut enables superior maneuvering in tight spaces.

Dual side fuel fills allow refueling from either side of the coach for added convenience.

The bell crank helps eliminate “bump steer,” so you needn’t fight to keep control if the front wheels hit a bump in the road.

Standard full air ride suspension provides a comfortable ride with reduced body roll.

Allison MH-2500, 5-speed transmission smoothly transfers maximum power from the engine to the wheels.

The 5,000 lb. tow hitch has enough capacity for towing a full-sized SUV or a trailer full of toys.

Large 22.5-inch wheels look impressive and help provide a smooth, comfortable ride.

AT 70 MPH, YOU’LL STILL BE TURNING HEADS

Enjoying real, diesel-driven outdoor adventures calls for a motorhome that meets — or exceeds — the challenges of the open road and campsite plus your high expectations. Cross Country SE does.

### Sturdy foundation.

Cross Country SE rides on the Thoroughbred Performance Platform, developed by Sportscoach® and Freightliner®.

The platform starts on a laser-leveled stage to ensure a true and level surface for a precisely assembled coach. Plus all steelwork has a weather-resistant finish. This results in the best performance and durability in its class.

### Superior construction.

We go the extra mile to make sure each coach is sturdy and dependable. Cabinets are mounted into steel backers instead of paneling. Each windshield is installed with automotive adhesive and sealant. Plus, electrical wires are grouped in a color coded automotive wiring harness for safety, and ease of service.

### Rigorous testing.

All water, gas and electric lines undergo multiple testing well beyond Recreation Vehicle Industry Association (RVIA) code requirements. In addition, each coach receives a 57-point inspection, plus extensive rain booth and road testing to make sure your diesel coach is ready for all your adventures.

## STANDARD FEATURES

### CHASSIS/ENGINE/SUSPENSION

300 HP Cummins Diesel Engine  
Radial Tires  
Manual Hydraulic Leveling Jacks

## ASSURING A POSITIVE OWNERSHIP EXPERIENCE THROUGH INDUSTRY LEADING CUSTOMER SERVICE SUPPORT.

Sportscoach customers are backed by the most technologically advanced service support system in the RV industry. Through our Service Support Center located at [www.sportscoachrv.com](http://www.sportscoachrv.com), our customers have immediate access to product service information, warranty coverage information, dealer locations, and much more.

In addition, our experienced team of dedicated service and parts personnel are trained and equipped to exceed your needs and expectations. Easily accessible through our toll-free Service Support Hotline (800-453-6064), we are available for our customers when you need us, including after-hours with our 24/7 Emergency Assistance Hotline.

Whenever or wherever you travel, rest assured that your Sportscoach is backed by our hassle-free "Buckstopper Warranty" and a team of professionals prepared to assure a positive ownership experience.
